TEACHING CONCEPTS: Social-Emotional Learning

Designed for children ages 3-7, and based on the books of the same name, **CLIFFORD THE BIG RED DOG** uses classic storytelling to present universal social, emotional, and moral messages to young children. These fun-filled episodes follow Clifford and his pals (both canine and human) as they play, discover and interact with each other and the inhabitants of Birdwell Island, learning that good friends are what life is all about.
